## FEDERAL BUREAU OF INVESTIGATI.

#### May 2, 1958

ODELL BRAZIER was interviewed by SA EDWARD T. KASSINGER and SA GEORGE H. TREADWELL in the office of the FBI, Atlanta, Georgia on April 23; 1958 and furnished the following signed statement:

> "Atlanta, Georgia April 23, 1958

"I, Odell Brazier, wish to furnish the following voluntary statement to Special Agents Edward T. Kassinger and George H. Treadwell of the Federal Bureau of Investigation, concerning an incident which occurred at Dawsen, Terrell County, Georgia, Sunday, April 20, 1958. This statement is the truth to the best of my knowledge and belief.

"I reside on Raute 1, Box 338, Dawson, Georgia, and operate a wood yard in Dawson, Georgia. I was bern in Stewart County, Georgia, but have lived in Terrell County, Georgia, since I was four years old. I am now 56 years of age.

"On Sunday, April 20, 1958, I attended the I Hope Baptist Church on the outskirts of Dawson, Georgia, at about 3:30 in the afternoon. I drove my car, a 1956 Chevrolet, by myself back into Dawson, arriving about 6:30 p.m. A city policeman of Dawson, Georgia, known to me as Officer Randall, driving a city police car by himself stopped me near the project on Parrott Road, Dawson.

"Officer Randall got out of his car and came over to my car. He said, "What are you doing driving so recklessly, you almost ran over that white lady. You were about to make that lady have a wreck." I told him I had not been driving recklessly. He said, "What's that you been drinking, " and I told him I had not been drinking, that I had just come from church.

"Officer Randall than yanked open the door and hit me with his blackjack over my left eye and in

Back of my left ear. I then got out of my car. He told me to get into the city police car. I told him that I hadn't done anything and he told me again to get into the city police car.

"When Officer Randall hit me, my son drove up in his car and got out of his car. He told Officer Randall, "Don't hit my Daddy," that I would get into the city police car. My son is James Brazier and he is 32 years old and lives in Dawson, Georgia. He works for the Steve Chevrolet Company, Dawson. Officer Randall did not say anything to my son then.

"He took me in the city police car to the city jail of Dawson and looked me up. Officer Randall told Gene, the Negro trusty at the jail, to lock me up. I did not resist. All of this happened between 6:30 and 7:00 p.m., Sunday night.

"Sometime after 7:00 p.m., my son was brought into the jail. I did not see who brought him in. There were two other colored prisoners in the jail at the time but I do not know who they were.

"When I talked to my son, he told me that Officers Hancock and Handall had come out to his house and beat him up in the yard with blackjacks and then brought him to the city jail. I saw two or three places on his head where he said they hit him with a blackjack. My son told me that when they came out to my son's house to get him that Officer Randall said to my son, "What's that you said you were going to do to me," and then both of them started to beat him. James Brazier also told me that his wife was there when this happened.

"When I saw my son at the jail, he had blood all over his shirt from the wounds on his head.

"We both went to seep after that and I don't remember what time I woke up during the night, but when I went to see how my son was, I found out that he was not in his bunk and was not in the jail. I asked the other two colored prisoners where my son was and they said someone had come to take him to the hespital.

- 5 -

"The next morning at about 9:00 a.m., Policeman Chapman got me out of the jail and brought me to the Mayor's Court. Before we left the jail, Officer Chapman had me and another colored prisoner come around to the other side of the jail where they brought my son out. He could not walk and his shirt had been torn off his body. We had to tote him upstairs to the Mayor's Court. My son could not talk.

"The boy who helped me carry my son up had his case called, then my case was called and I was so worried about my son that I just pleaded guilty to the driving under the influence and reckless driving charges. Mayor Singletary fined me \$115 which I paid.

"They then called my son's case but since he could not talk they put it off until Monday, April 28, 1958. Ithen took my son to the Terrell County Hospital with his wife and my two daughters, Sarah and Clara Brazier. The doctor in the Terrell County Hospital took some x-rays of my son's head and then called a specialist at Columbus, Georgia. He then told me to rush him to the City Hospital at Columbus, which I did.

"My son is now in the City Hospital in Columbus and the doctors there tell me his skull has been fractured and he has a blood clot on the brain which has caused him to lose his senses. They have performed some kind of operation on him there.

"The above statement is true and is complete as to all of the information I know concerning the beating of my son and me.

Mark.

RANDOLPH ENNIS MC DONALD was interviewed by SA JAMES J. WARD and SA HENRY L. BURGETT, April 24, 1958 at Dawson, Georgia, at which time he furnished the following signed statements:

#### "April 24, 1958 "Dawson, Ga.

"I. Randolph Emmis MoDonald, make the following free and voluntary statement to James J. Ward and Henry L. Burgett who have identified themselves to me as Special Agents of the Federal Bureau of Investigation. I have been advised of my rights to consult an Attorney. I have been advised that I do not have to make any statement and that any statement I make may be used in a Court of law against me. No threats or promises of reward have been made to cause me to make this statement.

"I was born October 22, 1910 Calhoun County, Ga. I reside 405 Stonewall St., Dawson, Ga.

"I am presently employed by the Police Department, Dawson, GE, where I have five years service with the department,

"On Sunday, April 20, 1958 while on duty in the Folice Squad Car I noticed a car weaving back and forth across the center white line in the street. I saw the car swerve across the center line and almost strike an on coming pick up truck driven by Mr. Elton Marrington. The car continued along the street and again swerved across the center line almost striking a car driven by Mr. Gene Ellington.

HLB/rej

"I immediately proceeded after the car and stopped it with in a short distance. The car was driven by Odell Brazier, a Colored man that I have known five or six years in Dawson, Ga.

"I got out of the Batrol Car and walked up to the car driven by Odell Brazier. I told Odell to get out of his car. At that time he opened the car door and stepped out. He was unsteady on his feet and held onto the car for support.

"I ask him what was the matter. He said nothing was wrong with him. I told him that I would have to put him under arrest for driving under the Influence. He said he wasn't drunk. I proceeded to search him. I found two empty half pint bottles in his pockets. I also took his knife. I then proceed to put him in the Patrol Car. He said at that time he wasn't going. He said that he hadn't done anything to be arrested for.

"I pushed his arm up his back and proceeded to the car. When we reached the car I released pressure on his arm to open the car door, at that time he jerked loose and tried to push me out of the way. About that time Mr. Herrington came up to help me.

"Mr. Herrington and I took hold of him and pushed him into the back seat of the Patrol Car. He grabbed the door frames with both hands and tried to come back out. He said he wasn't going "No God damn where". He said that I was going to get hurt.

"Mr. Herrington pulled his hands from the frames of the car door as I reached to get his feet to place them in the car. As I was picking his feet up, he drew up one foot and kicked me in the stomach. He grabbed the frames of the car door to pull himself out of the car. At that time I struck him with by black jack. Then he got into the car and gave me no further trouble.

- 12 -

"As I closed the car door his son, James Brazier drove up and parked across the street then got out and walked over to where I was.

"James Brasier told me\_"That's my Daddy, what you hit and you are going to get hurt."

"I told James Brazier to go ahead on; that his Daddy was drunk, resisted and would not get in the car and that was why I hit him.

"James Braxier told me that he was going to hurt me. He said that I was trying to make a damn name for wyself,

"I told James Brazier to get going and that I would see him later. He got into his Daddy's car and drove away.

"I drove to the County Jail, Dawson, Ga. where I locked Odell Brazier up. I had no further trouble with him.

"I have read the above statement of this an three other pages. I have <u>enitild</u> each page and each correction. I am signing this statement because it is true and correct in avry way\_

against me in a court of law. I have been advised of my right to have an attorney. No threats or promises have been made to me in order to obtain this statement.

"I was born October 22, 1910 at Calhoun, Ga. I reside at 405 Stonewall St., Dawson, Ga. and am employed with the Dawson Police Department.

"On Sunday, April 20, 1958, I, accompanied by Officer Cherry, Dawson Police Department, went to the residence of James Brazier, Ash St., Dawson, to arrest him on the charge of threatening a Police officer. This charge was placed against James Brazier as a result of a threat he made to me while I was arresting Odel Brazier, James father, earlier on the day of April 20, 1958.

"When we arrived at James Brazier's house, he was in the yard. We called him over to the car and I told him that he was under arrest for threatening an officer and interfering with an arrest. Mr. Cherry then searched James, and we proceeded to take him to the car.

"As we attempted to put James in the car he began struggling with us and started swearing and using profanity. He said we could shoot him or do anything to him, but he wasn't going with us. We tried to force James into the car, but he continued to struggle with us. He broke loose from our grasp a couple of times and attempted to strike us. Mr. Cherry finally pulled his slap-jack from his pocket and struck James about the head with the slap-jack three or four times. I did not strike James at any time.

"After Mr. Cherry struck James with the slap-jack, he continued to struggle with us. Mr. Cherry finally succeeded in placing a handcuff on one arm of James and we then dragged him to the Patrol car and placed him in the rear seat.

"Once we got James in the car he calmed down and gave us no further trouble. We proceeded to the County Jail, Dawson, where we lodged James.

"Shortly after we placed James in jail his boss, Mr. Arnold, came to the jail and asked that we call a doctor to examine James. We called Dr. Ward, Dawson, and he came to the jail and examined James.

- 14 -

"I wish to state that James Brazier's family was present at the time Mr. Cherry and I went to his house to arrest him. They kept pleading with James to get in the car with us and not to struggle with us.

"I have read the above statement of this and two other pages. I have intelled each page preceding this page and am signing this page as the statement is true in correct\_

"On Sunday, April 20, 1958 I was on duty when Mr. McDonald The up to me and said he wanted me to go with him to get James Brazier. Mr. McDonald told me that James Brazier had interfered and threatened him while he was arresting Odell Brazier, father of James Brazier.

"Mr. McDonald and I drove to the home of James Brazier, North Ash Street, Dawson, Ga.

- 17 -

"When we arrived at Brazier's home he was standing in the back yard. I called to him "James come here. I want to see you a minute."

"James met me about half way between the Police Car and where he was standing when we arrived at his home. I told James that he was under arrest for threatening and interfering with the arrest of Odeli Brazier by Mr. McDonald. I told James to turn around, he turned around and I searched him. After the search Mr. McDonald and I took James by the arms and led him to the Police Car.

"As I was searching James I noted that he had been drinking, I could smell alcohol, James was not in a staggering condition.

"When we reached the Police Car I opened the back door and told James to get in. He turned around with his back to the car and said that he wasn't going to be locked up.

"I tried to push James on into the car. James started fighting at us. He drew back with his right hand with fist clinched and swung at us.

"I pulled my slap jack from my pocket. James grabbed hold of the slap jack with his left hand. I snatched it out of his hand and hit him on the forehead.

"I could hear a woman, who I believe was his wife, tell him to get into the car and do like he was told.

"James said at that time that he was not going to be locked up. I could still hear the woman begging him to do as he was told.

"At that time I left Mr. McDonald holding on to James. I went to the car, reached in the glove compartment, took out my pistol grip

one arm handcuff. When I turned around James was trying to run off down the street with Mr. McDonald hanging onto him.

"I caught up with them and applied the handcuff to his left arm and squeezed the handcuff tight enough so that James followed me to the car. We put him into the Police Car and brought him to the County jail, Dawson, Ga. I did not remove the hand cuff until after we had him in jail. He gave us no trouble while traveling to the jail or after he was locked up. "After locking James in jail I saw

"After locking James in jail I saw Dr. Ward (Charles Ward) and asked him to go by the jail and see or examine James Brazier. Dr. Ward said that he would in a little while, that he had a call to make. Later Dr. Ward came back and went to the jail with me. I brought James Brazier into the jail office so that Dr. Ward could examine him. Dr. Ward told me to lock James in a cell by himself and to check James every two hours. He said that as far as he could tell there wasn't anything seriously wrong with James but to wake him every two hours.

"The only out was a small laceration on James! forehead. Dr. Ward applied a bandage to this laceration.

"Dr. Ward returned to the jail between two and three o'clock, the morning of April 21, 1958 to examine two white prisoners. At that time he examined James and stated that he was all right.

"James Brazier was wearing a light blue suit and white shirt when arrested. The clothing was not torn during the arrest. I did notice blood stains on his shirt. I noticed during the night that James had removed his dress shirt and his undershirt had several holes in it which looked like it was worn out

"I have arrested James Brazier two or three times previously for beating his wife. I arrested him in November 1957 for driving under the Influence and speeding 110 miles per hour. I have never had any trouble arresting James except when he was drinking or under the influence of alcohol.

"At no time did James Brazier complain that he was hurt. Each time that he was called during the night (as per Dr. Ward's orders) he responded and made no complaint.

The negro said, "Mr. Gene you know I wouldn't hurt you." I still did not recognize him as anyone I knew.

"As I was standing near the police car Mr. McDonald opened the rear door and told the negro to get out of the car. When the negro didn't get out of the car Mr. McDonald took him by the arm and pulled him out of the car. When Mr. McDonald attempted to put the negro inside the jail yard he held back a little and Mr. McDonald had to push him through the gate.

"I noticed, when Mr. McDonald removed him from the car, that the negro was unsteady on his feet; his eyes were glassy eyed, and he was thick lipped, which indicated to me that he was drunk.

"I have read the foregoing statement of three pages including this page and it is true and correct.

He said, "I went out there and found Daddy in trouble." I said "What happened?" James said Mr. Randolph had done hit him in his eye. James said to me "Come on, lets go up there and see if they will let us have him."

"I told him that it would be best to wait until in the morning because they wouldn't let us have him that evening.

"At that time a Police Car pulled up in front of our home and stopped. Two officers got out of the car, Mr. Randolph and Mr. Cherry. They came up in the yard toward James. James got up off the back of the car and walked toward the officers.

## FEDERAL BUREAU OF INVESTIGA NINTERVIEW REPORT

#### May 2, 1958

On April 25, 1958 JAMES LATIMER was interviewed by SA JAMES J. WARD and SA HENRY L. BURGETT at Dawson, Georgia at which time he furnished the following signed statement:

> <sup>n</sup>Dawson, Georgia April 25, 1958

"I, James Latimer, make the following free and voluntary statement to Henry L. Burgett and James J. Ward who have identified themselves to me as Special Agents of the Federal Bureau of Investigation. I realize I do not have to make a statement and that any statement I do make may be used in a court of law, No threats or promises have been made to me in order to obtain this statement.

"I am 39 years of age, having been born July 23, 1918 at Terrell County, Georgia. I reside at 232 N. Ash Street, Dawson, Georgia.

"On Sunday, April 20, 1958, I was in my home when I saw a Police car go past. I was curious as to where the police were going so I stepped out on my front porch. As I got out on the proch I saw that the police were stopping at the home of my prother-in-law, James Brazier.

"When the police car stopped at James' house, I walked out to my front law so that I could see better what was taking place. As I got to the lawn I heard voices coming from James' House so I crossed the street to a neighbors house where I could see better what was taking place. I was about 125 feet from James' house.

"As I was standing, looking toward James' house, I saw two policemen bring him out to the police car. As one of the <u>policeman</u> opened the rear door of the car I observed that James was given a little push. Incard James say "White folk you all come up here and drag me out of my house and I ain't done nothing." I then saw Mr. Cherry hit James

I heard James say "I ain't going to get in the car I ain't done nothing." I then saw Mr. Cherry strike James again, and they attempted to force James into the car.

"As the police were trying to put James in the car, the three of them moved toward the rear of the car. As they did, Mr. Cherry left them and got something from the car and came back to where James and Mr. Randolph, the other policeman, were and clamped it on James arm.

"After Mr. Cherry clamped the thing on James arm they led him to the car and put him in the rear seat. There were no further blows passed.

"I never saw either policeman pull a gun, but I did hear James tell them "go ahead and shoot me." I don't know why James made that statement.

"I don't know how many times James was hit but I would say it was at least five times. To the best of my recollection Mr. Cherry is the only one who struck James.

"I have read the foregoing statement of three page including this page and it is true and correct. I have initialed all corrections.

#### CIVIL RIGHTS MATTERS DAWSON, GEORGIA

An article appeared on page one of the "Washington Post & Times Herald," June 8, 1958, entitled, "Death and Violence Terrorize Negroes of Georgia Town." The article identifies the town as Dawson, Georgia, and mentions six incidents which it claimed created an atmosphere of fear among the Negroes. These are:

> "A Negro was beaten severly in his front yard by police. 1.

- 2. He was hauled senseless into court and died from a grushed skull five days later."
- "Another Negro was shot to death in his back yard by 3.
- police." "A third Negro was shot in the buttocks by police when 4. they investigated a disturbance call at a juke joint."
- "A Negro mother was slapped in jail when she went to 5. visit her son there."
- "Two dozen Negroes tried to register to vote; many were teachers; all 'failed'. One teacher who had a four-year college degree 'failed' a test for illiterate voters and 6. was fired from teaching."

This article stated the fear among Negroes has brought FBI Agents to Dawson twice in recent weeks to investigate deaths and w make probable the filing of affidavits with the Federal Civil Rights in Commission.

 $\gamma$ In regards to the statement that FBI Agents have been to Dawson twice in recent weeks to investigate deaths, it is to be noted the Bureau conducted a preliminary investigation here in April, 1958, involving allegations of police brutality which resulted in the death of one Negro. The results of that investigation were referred to the Department 5/8/58 with the request that it advise whether any S further investigation was desired. To date no further request has been received.

At present there are four separate investigations being conducted at Dawson, Georgia, involving allegation of police bruta Att Reports have not been submitted in these cases but should be received

at the Bureau on 6/9/58. These will be reviewed when received and immediately referred to the Civil Rights Division. One of these current investigations involves the shooting to death of a Negro by the police.

Items 1 and 2 mentioned in the "Washington Post" relates to the case captioned, "Randolph Ennis McDonald," Weyman Burchle"Cherry; Odel1"Brazier, James Calvin Brazier - Victims, Civil Rights," This is the case which the Bureau investigated in April, 1958. Odell Brazier on 4/23/58 complained that he was stopped on 4/20/58 by "Randall" for reckless driving. Odell stated when he denied "Randall's" charges, "Randall" "yanked" the car door open and hit him over the left eye and behind the left ear with a blackjack, \*"Originally reported by victim as Randall."

Odell stated as "Randall" hit him, his son, James Calvin Brazien drove up and got out of his car. The son said, "Don't hit my daddy." Odell stated he got into "Randall's" car and was taken to jail. He denied resisting arrest. Odell stated his son was not arrested at this time but about 7:00 p.m. on the same day his son was brought to jail by "Randall" and Officer Cherry. The son stated the officers had come to his home, beat him with a blackjack and brought him to jail.

Odell stated sometime during the night his son was taken to a hospital and the next morning, since his son could not walk, he and another prisoner had to "tote" him to the Mayor's court. When the son's case was called he could not speak and the case was adjourned. The son was later released and taken to the County Hospital where X-rays revealed a skull fracture. An operation was performed but the son died 4/25/58.

Officers McDonald and Cherry in signed statements admitted striking the son when he resisted arrest. Witnesses tend to verify the officers story.

A report dated 5/2/58 reflecting the results of the preliminary investigation was referred to the Department 5/8/58 with the request it advise whether any further investigation was desired. To date no request has been received.

In regards to items 3 through 5, John Wesley Dobbs, Grand Master, Free & Accepted Masons, Atlanta, on 5/28/58 submitted a letter to our Atlanta Office signed by 6 persons in which they make four allegations of police brutality against Dawson, Georgia, police.

Item #3 which refers to a Negro being shot to death by police while in his back yard relates to one of the incidents mentioned in the letter furnished by Dobbs. This matter which is entitled, "Weyman Burchle Cherry, Robert Terrell Handcock; Willie Countryman - Victim, Civil Rights," is currently being investigated.

The investigation has disclosed the police were proceeding through Countryman's yard about 1:30 a.m. on 5/25/58 to investigate a noise coming from the premises directly to the rear of Countryman's residence. Countryman was out in the yard at the time with his girl friend. Police say Countryman attacked them with a knife whereupon Countryman was shot in self defense. He was pronounced dead upon arrival at the hospital. The girl friend stated Countryman heard a noise and went to investigate. She claims she heard shot and ran.

Atlanta has advised a report reflecting the results of our preliminary investigation should be received 6-9-58. The report will be reviewed and immediately referred to the Civil Rights Division.

Item #4 which mentions a Negro being shot in the buttocks by the police refers to the case captioned, "Weyman Burchle Cherry, et al.; Willie D. Latimer - Victim, Civil Rights," which is also currently being investigated. The complaint in this case was also received from Dobbs on 5/28/58.

Investigation has disclosed the Davson, Georgia, Police on 5-23-58 shot Latimer while arresting him. The police were raiding a party at Latimer's house. Latimer was seen with a jug of whiskey in his hand as Cherry approached the door of his house. Latimer field with Cherry in pursuit. Latimer fell and he states that while attempting to break the jug Cherry said. "If you break the jug, I will shoot you." Latimer stated he did break the jug and while lying on the ground Cherry shot him in the left buttocks. Latimer was taken to the hospital, the bullet was removed and he is recovering.

Atlanta has advised a report reflecting the results of the preliminary investigation should be received 6-9-58. It will be reviewed and immediately referred to the Civil Rights Division.

Item #5 which refers to a mother being "slapped" in jail when she went to see her son who was there relates to the case captioned "Harold Jones, et al.; Willie Gerald Flagg, Annie Lee Flagg - Victims, Civil Rights," which is currently under investigation. The initial complaint which was also furnished to Atlanta by Dobbs alleges that "Billie Flagg" was "beaten awful" by Dawson, Georgia, Police.

( )

Investigation reflects Willie Gerald Flagg was engaged in "horseplay" at a ball diamond about 9:00 a.m., 5/25/58. As police were passing in their car someome made a noise like a machine gun firing. The police car stopped, subject Jones got out and asked Willie what he was doing. Willie said nothing whereupon Jones called him a liar and struck him. Jones then searched Willie and hit him again, handcuffed him and took him to jail.

Later the same morning, Annie Lee Flagg, mother of Willie, went to the jail to make inquiry about her son. She alleges Jones pushed her and told her to go home. She states she left the jail walking and crying. Later Jones and Cherry overtook her in police car and Jones pushed her into the car and took her to jail. She states although Jones threatened her he did not strike her. Both victims had to post \$18.00 bonds but were not advised of the charges.

Atlanta has advised a report reflecting the results of our preliminary investigation should be received 6/9/58. It will be reviewed when received and immediately referred to the Civil Rights Division.

Item #6, it is noted the news article mentions that two dozen Negroes who tried to register to vote had failed the tests and also that one Negro, a teacher, with a four-year college degree who failed the illiterate test was fired. The news article does not mention any investigation by the Bureau with respect to the alleged denial to Negroes of the right to register and vote; however, on 4/23/58 a group of Negro leaders appeared at the Atlanta Office and furnished complaints regarding the denial to Negroes in Terrell County of the right to register. Information concerning the attempts of 22 Negroes to register was furnished. Four of the Negro victims were reported to be both teachers and college graduates, two more are college graduates and one individual is presently attending college. No active investigation was conducted by the Bureau concerning these complaints; however, a report reflecting all of the information furnished was forwarded to the Civil Rights Division on 4/30/58 with the request that it advise whether any further investigation is desired. No reply has been received from the Civil Rights Division to date. (This case is captioned, "Unknown Subjects; Eddie Lowe, et al. - Victims, Civil Rights; Election Laws.")

With regards to the statement in the Washington Post article that police at Dawson enforce an informal curfew against Negroes the Department in December, 1956, referred an article to the Bureau taken from "Jet" magazine concerning this phase, requesting a limited investigation. The requested investigation was conducted which indicated no curfew law, past or present, was on record at Dawson, Georgia. However, Negroes claimed a 11:00 p.m. curfew was imposed at times.

The results of the Bureau's investigation were contained in three reports, the last of which was sent to the Department on 1-11-57. The Department was advised the investigation requested had been completed and no further action was being taken unless specifically requested. The Department by memorandum dated 2-5-57 furnished a copy of its letter to USA advising him the Department's file was being closed.

SUBJECT :

RANDOLPH ENNISTICDONALD, WEYMAN BURCHLE CHERRY; () ODELL BRAZIER, JAMES CALVIN BRAZIER - VICTIMS CIVIL RIGHTS

The Civil Rights Division in the attached memorandum dated 6-10-58, requests a full investigation be conducted in this matter with special emphasis being placed upon ascertaining whether there are other witnesses to the beating of victim James Calvin Brazier and whether the subjects possess a warrant for his arrest.

This is one of the cases at Dawson, Georgia, mentioned in the "Washington Post and Times Herald" article 6-8-58. Odell Brazier advised 4-23-58 that when subject McDonald arrested him on 4-20-58 for reckless driving, McDonald "yanked" the car door open and hit him over the left eye and behind the left ear with a blackjack. Odell Brazier states as McDonald hit him his son, James Calvin Brazier, drove up in his car and allegedly said "don't hit my daddy." Odell Brazier stated he later accompanied McDonald to jail and no action was taken against the son at that time.

Odell Brazier stated later on 4-20-58 the son was brought to the jail. The son told Odell Brazier subjects McDonald and Cherry had come to his (the son's) home and beat him with a blackjack and brought him to jail. Odell Brazier stated when time came to go to court the son could not walk and he and another prisoner had to "tote" the son to the mayor's court. According to Odell Brazier, when the son's case was called it had to be adjourned as the son could not speak. The son was later taken to the county hospital where X rays revealed a skull fracture. An operation was performed; however, the son died 4-25-58.

The Bureau upon receipt of above information, immediately instituted a preliminary investigation. When subjects were interviewed, Cherry admitted striking the son after he resisted arrest. Statements from some of the witnesses tend to verify the officers' story. A report dated 5-2-58 reflecting the results of our investigation was sent to the Department on 5-8-58 with the request that it advise whether any further investigation was desired. No request for investigation was made until the attached memorandum was received requesting a full

investigation. REC- 67 13-17 JUN 20 1958 YMW pms **DIFECTOR** 44 - 13064Ti , và

a want to advise you of a request for a full investigation in this case which has been received from the Civil Rights Division.

On April 23, 1958, Odell Brazier of Dawson, Georgia, advised that when arrested on April 20, 1958, by officer McDonald of the Dawson, Georgia, Police Department, McDonald, in the presence of his son, James Calvin Brazier, struck him with a blackjack. The son allegedly stated to McDonald, "Don't hit my daddy." No action was taken against the son at this time; however, Odell Brazier was taken to jail.

Odell Brazier stated later on April 20, 1958, his son was also brought to the jail. The son allegedly told Odell Brazier that officers McDonald and Cherry came to his home, beat him with a blackjack, and then arrested him. Odell Brazier advised when the time came to go to the mayor's court the next morning the son could not walk and he and another prisoner had to "tote" him. When the son's case was called it had to be adjourned as the son could not speak. According to Odell Brazier, his son was later taken to the county hospital where X rays revealed a skull fracture. An operation was performed; however, the son died on April 25, 1958.

A preliminary investigation was conducted immediately upon receipt of the above information and the results were furnished to the Civil Rights Division on Way 8, 1958. GILLMAN, Regional Director, AFL-CIO, Atlanta, Ga., nor Rev. LUCIUS H. PITTS, Executive Secretary, Georgia Teachers and Education Association, possess any firsthand information pertaining to this investigation. DETAILS: AT ATLANTA, GEORGIA On June 13, 1958, Mr. CHARLES H. GILLMAN, Regional Director, American Federation of Labor - Congress of-Industrial Organizations, 1026 Hurt Building, was interviewed by Special Agents THOMAS H. DAVIS, Jr., and FRANK G. JOHNSTONE Mr. GILLMAN advised that it is very seldom that his work takes him to Dawson, Georgia, and therefore, he has only very few limited acquaintances in that city. Mr. GILLMAN added he has no firsthand information pertaining to any of the 1 incidents which have occurred during the recent past and which, according to newspaper releases, involve Negroes and some members of the Dawson, Georgia Police Department. Mr. GILLMAN did SPECIAL AGENT DO NOT WRITE IN SPACES BELOW APPROVED COPIES MADE: REC- 44 Bureau (MMSD) 1 - USA, Macon 3≓6 JUN **16** 1958 2 - Atlanta (44-876) 11 1: 1 1cc: AAG Civil Rights Form 6-94 PROPERT loaned to you by the FBI, and neither it nor its contents are to be distributed outside the agency to which loaned.

mention that he some two weeks ago spoke with one of his relatives who, from time to time, visits in Dawson, Georgia, and during this conversation, he got the impression that perhaps the Negroes in the Dawson area were being intimidated and mistreated by some members of the Dawson, Georgia Police Department. Mr. GILLMAN pointed out, however, that he had no direct specific information on which he could base this suspicion. He mentioned that from the press reports he suspected that the death of JAMES CALVIN BRAZIER in April of this year may have resulted from brutality on the part of one or more members of the Dawson Police Department.

Mr. GILLMAN mentioned that perhaps Mrs. RENA TROTMAN, who resides in Dawson and operates the Stevens Industries at Dawson, Georgia, and the Chevrolet dealer in that city, whose name is unknown to him but who was the employer of JAMES CALVIN BRAZIER at the time of BRAZIER's death, may possess information which would be of value to anyone investigating allegations of brutality by members of the Dawson Police Department.

In concluding, Mr. GILLMAN again pointed out that he has no firsthand knowledge pertaining to any of the recent incidents which have occurred and which involved members of the police department at Dawson, Georgia. He indicated that, in view of his lack of direct knowledge concerning any of these incidents, he did not desire to furnish a signed statement.

On June 14, 1958, Reverend LUCIUS H. PITTS, Executive Secretary, Georgia Teachers and Education Association, 201 Ashby Street, Northwest, was interviewed by Special Agents DAVID STEVENS BYERLY and THOMAS H. DAVIS, Jr.

Reverend PITTS advised that the Georgia Teachers and Education Association is a private organization made up of Negro school teachers within the State of Georgia. He stated that in his capacity as Executive Secretary of this association he travels throughout the State of Georgia, and during recent months, he has been in Dawson, Georgia, on one or two occasions. Reverend PITTS advised he has absolutely no direct or firsthand knowledge concerning the incidents reported in the local press as involving allegations of brutality by members of the Dawson, Georgia Police Department.

He indicated that, due to his lack of direct knowledge concerning any one of these incidents, he, of course, did not desire to furnish any written statement.

Mr. D. F. ENGLISH, Justice of Peace, Dawson, Georgia, advised the warrant for the arrest of JAMES BRAZIER, dated April 20, 1958, Dawson, Georgia, was made out by Dawson Police Officer CHERRY and signed by Dawson Police Chief LEE. ENGLISH stated since he issues so many warrants, he cannot recall just when he authorized the aforementioned warrant nor the details surrounding the authorization of same. He stated he was positive he did authorize the above mentioned warrant on April 20, 1958. ENGLISH said he usually has an officer make out the warrants since he, ENGLISH, has very poor vision and his penmanship is very bad.

Mr. ENGLISH, made available Criminal Docket, Justice Court 1154, District, GM., Terrell County, Georgia, which reflected warrant issued for arrest of JAMES BRAZIER, April 20, 1958. It was noted that the handwritten charge was fildgible, however, Mr. ENGLISH stated that the charge was "interferring with officer and resisting arrest". It was noted that this warrant was recorded on Page 92 of the Justice of the. Peace Criminal Docket. It was further noted that each page had space for two entries: The warrant for BRAZIER's arrest was recorded on Page 92, first entry. It was noted that Page 91 had no entries made. Page 90, last entry was dated June 15, 1958. BRAZIER's entry, dated April 20, 1958, and second entry on Page 92, was April 24, 1958. It was noted further that there were no skips in the entries from Page 51 through Page 90. Mr. ENGLISH stated that on occasion spaces were skipped through error in the docket; however, he coul offer no explanation or reason for the blank Page 91, prior to the entry of the warrant for JAMES BRAZIER's arrest dated April 20, 1958, to be preceded by an entry on Page 90 for the date, June 15, 1958.

illegible. Mr. ENGLISH in explaining this, stated that it was due to his poor permanship. It was noted that other entries in the Docket were all legible.

Mr. ENGLISH, after giving agents permission to review the Docket, suddenly became nervous, excited and stated that neither agents nor the Federal Court had any right to review the Docket, however, he stated that the docket was a public record.

On June 18, 1958, Mr. ENGLISH refused permission for Page 92, Warrant for JAMES BRAZIER's arrest, Criminal Docket, Justice Court 1154, Terrell County, Georgia, to be photographed. He stated that his attorney had advised him that the FBI and the Federal Court had no right to examine the docket further. Mr. ENGLISH demanded that agents destroy their notes other than for information pertaining to the JAMES BRAZIER warrant.

On June 19, 1958, Mr. ENGLISH approached agents and stated that he wished to apologize for his remarks the previous day stating that he had consulted the county attorney, Mr. W. L. FERGUSON, who advised him that the Docket was a public record and could be reviewed at will; however, he did not offer the Docket for photographing. STANDARD FORM NO. 54

and walked down the drive way of BRAZIER's yard which is between our homes.

"I left my front porch and walked into the house so that I could see where the officers were going. I could see the officers from my windows. I was looking out of my bedroom window.

"I saw the two officers with JAMES BRAZIER going out the drive way almost out to the police car. BRAZIER waswalking with his hands above his head. Neither of the officers had hold of BRAZIER at that time.

"I left the bedroom window and went back out on my front porch. When I got to the front porch I saw Mr. CHERRY beating BRAZIER over the head with his blackjack. Mr. RANDOLPH was holding BRAZIER by the belt and one arm. They were about the back fender of the police car at that time. I would say Mr. CHERRY hit BRAZIER about five or six times.

"I saw Mr. CHERRY kick BRAZIER with his knee in the lower part of his stomach or groin. When he kicked him BRAZIER bent forward at which time Mr. CHERRY hit him on the back of his head with his blackjack. The blow staggered BRAZIER. Mr. RANDOLPH was still holding on to BRAZIER.

"About that time Mr. CHERRY pulled his gun, held it in both hands for about a second then put the gun back in his holster.

"After Mr. CHERRY hit and kicked BRAZIER, he, Mr. CHERRY handcuffed BRAZIER. Then they led him to the right rear door of the police car. Mr.CHERRY kicked BRAZIER with his knee. BRAZIER stumbled and then drug his feet on into the car. Then the officers closed the door. Both officers got into the front seat of the police car. They drove away and I didn't see them any more that day.

"At no time did I see BRAZIER hit, try to hit

Attention is directed to Atlanta airtel to Bureau dated 7/28/58, captioned WEYMAN BURCHLE CHERRY; ROBERT TERRELL HANCOCK, Dawson, Georgia Police Department; WILLIE COUNTRYMAN, Aka. "Wootie" - VICTIM, Civil Rights; reflectin that on 7/28/58, Assistant U. S. Attorney JOSEPH H. DAVIS, Middle District of Georgia, Macon, Georgia, advised this office that Mr. W. WILSON WHITE, Assistant Attorney General, Civil Rights Division, Department of Justice, Washington, D. C., had instructed him to present the WILLIE COUNTRYMAN case and four other Civil Rights cases, including the BRAZIER case to the Federal Grand Jury at an early date. It is noted that the Grand Jury is scheduled to convene at Macon, Georgia, on the week beginning 8/4/58. Assistant U. S. HOLMES was advised that the files of the FBI were confidential therefore, the information developed during our investigations could not be discussed with him; however, we would be glad to accept any information he desired to furnish this office regarding this matter. 61

HOLMES then stated that Mr. MACY O. HUBBARD, Civil Rights Division, Department of Justice, suggested that he, HOLMES, <u>discuss the matter</u> with the FBI locally regarding interviewing

in a place where she would feel free to talk. It was pointed out to HOIMES that the FBI has no jurisdiction or control over State prisoners, that if he was suggesting that \_\_\_\_\_\_ be removed from the Terrell County Jail in order that she may feel free to talk, this matter was a legal problem outside of FBI prerogative and his observation in this regard would be brought to the Department's attention. It is noted that Atlanta teletype to Director 6/18/58 called attention to the fact that \_\_\_\_\_\_ was being held on a \_\_\_\_\_\_ charge awaiting appeal to the Georgia State Supreme Court with a hearing possibly set for 7/9/58.

It is noted regarding individuals referred to in the enclosed report that interviews with the following were reflected in the report of SA HENRY I. BURGETT, Atlanta, dated 5/2/58, on the page indicated:

RANDOLPH ENNIS McDONALD, Page 11; WEYMAN BURCHLE CHERRY, Page 17; HATTIE BELL BRAZIER, Page 28.

The following individuals, whose names appear in the enclosed report, have not been interviewed in connection with this investigation:

Mrs. HATTIE B. WILLIAMS, 209 Center Street, Dawson, Georgia; Rev. JOHN B. HILLSMAN, 311 West 6th Avenue, Dawson, Georgia; FRANK HUNTER, Dawson, Georgia; J. H. REYNOLDS, Dawson, Georgia; Deputy Sheriff MANSFIELD, Dawson, Georgia; Officer AL.CLARK, Dawson, Georgia; Rev. H. HOLLIS HOOKS, formerly of Dawson, Georgia; Officer CHATMAN (apparently Officer J. SHIRAH CHAPMAN of the Dawson, Georgia Police Department.)

Regarding the IRA LEE GLADDEN mentioned in the enclosed report, it is noted this individual is apparently identical with IRENE GLADDIN mentioned in my letter 6/24/58, stating that no effort was made to contact prisoners IRENE GLADDIN and SAM HATTAWAY, since both had been transferred from the Terrell County Jail and inasmuch as other prisoners had advised that neither GLADDIN nor HATTAWAY were in the cell block occupied by BRAZIER on 4/20/58. Date July 30, 1958

On the basis of a telephonic request for an appointment to see the Special Agent in Charge of the Atlanta FBI Office, Mr. ANOS O. HOIMES, Field Secretary for the State of Georgia for the National Association for the Advancement of Colored People, appeared at the Atlanta FBI Office on the afternoon of July 29, 1958, and furnished the following signed statement, which he dictated personally:

"I, Amos O. Holmes, hereby furnish the following voluntary statement to N. R. Johnson and Charles T. Haynes, who have identified themselves to me as Special Agents of the Federal Bureau of Investigation. I have been advised that I am not required to furnish a statement and I am aware that this statement is being made in connection with an official investigation.

"I am Field Secretary for the Mational Association for the Advancement of Colored People, with offices at 8592 Hunter Street, N.W., Atlanta, Georgia./

"On July 3, 1958, I went to Americus, Georgia, to talk with Mrs. Hattie Bell Brazier, widow of James Brazier, Mrs. Nettie Cate, cook at the Dawson, Georgia, county jail, Mr. J. H. Reynolds of Dawson, and Reverend John B. Hillsman. This interview was set up after we received a letter through Reverend Hillsman from Mrs. Nettle Cate, who received this who was in jail at Dawson. letter from At this meeting we discussed the information that was contained in the letter, which in substance said this: That FBI Agents had come to the jail to talk with her about the death of James Brazier some time after April 20th. At that time, the letter states, did not give all the information she knew because she was afraid to do so. The did not give all the officers, Cherry and Matthews, Dawson police, had threatened her, saying that she had better not tell what she knew about the beating of James Brazier. Further, Gene, a prisoner trusty, was stationed on the porch in front of the office of the Sheriff to listen to what was being said, and that eavesdroppers had been put in the cell next to hers to hear

"On one occasion Officer Cherry gave her \$2.00 to keep her mouth shut on what she knew about James Brazier's beating,

"The story tells is that at about midnight, on the morning of April 20th, she saw Officer Cherry and Officer Randolph McDonald of Dawson take James Brazier out of jail. James Brazier was blindfolded, crying and begging the officers not to take him out. The head of James Brazier was bruised and bleeding. About 3:00 A.M. on April 21, 1958, Officers Chatman and Al Clark, were together when they brought James Brazier back to the cell in the women's quarter. James Brazier was brought back wrapped in an Army blanket and laid on the floor of the cell in an unconscious state. No doctor was gotten for James Brazier and he never regained full consciousness.

<sup>4</sup>Gene, a Negro prisoner who is a trusty, who holds the keys of the cells, does some of the dirty work of whipping and coercion for the officers, was told by Sheriff Matthews to take the truck and go get the clothing of James Brazier. James Brazier had been stripped of his clothing and had been brought back to the cell naked wrapped in an Army blanket. He had been beaten apparently naked. During the time that Gene, the trusty prisoner, had gone for the clothing stripped from

She does not report what he answered. Later Gene, the prisoner trusty, returned with the clothing of James Brazier and threw the clothing in the cell where James Brazier lay, and said to the officers laughingly, 'He is all right.'

"The officers had poured several buckets of water on James Brazier but had failed to rouse him up to this time. James Brazier never did become fully conscious.

She has been held in the jail since October :	11, 1957.

"On July 6, 1958, at another meeting at Dawson Mrs. Hattie B. Williams, 209 Center Street, Dawson, Georgia, reported to me that a Mr. Frank Hunter, night watchman of a gin house where James Brazier was alleged to have been taken and beaten, was an eyewitness to the beating, and that he is willing to testify to what he knows in court. James Brazier had often helped Mr. Hunter by working in his stead.

"On Monday, July 28, 1958, I, Amos O. Holmes, talked with Mr. Frank Hunter about providing a sworn statement on what he knew about the beating of James Brazier. Mr. Hunter denied knowing anything about the beating of James Brazier, though Mrs. Hattie B. Brazier, whom he had also told that he knew something about it, was there with me when I talked with him. Mr. Hunter said that he was off work from 1:30 A.M. on April 21 through the rest of the night, and that he did not know anything at all about the 68

Charles T. Haynes, Special Agent FBI, Atlanta, Georgia."

He also stated that he had informed Mr. HUBEARD of the information allegedly possessed by FRANK HUMTER, but at that time he, HOLMES, had not yet interviewed HUMTER. He indicated that Mr. HUBEARD had suggested that if he, HOLMES, interviewed HUNTER, he should try to obtain from him a sworn statement. Mr. HOLMES explained that he had gone to Dawson, Georgia, on July 28, 1958, to talk to Mr. FRANK HUMTER and had talked to Mr. HUNTER, and that HUNTER had denied knowing anything about the beating of JAMES C. BRAZIER. Mr. HOLMES also stated that he had in his office the letter purportedly written by \_\_\_\_\_\_\_\_ fas well as a report that he, HOLMES, had prepared, and that he would be glad to furnish them on the morning of July 30, 1958.

-6-

On the morning of July 30, 1958, Mr. HOIMES brought to the Atlanta Office the following described documents:

> (1) A one-page hand-written letter bearing the date stamp June 27, 1958, beginning "Dear Front i am - - " and ending ", - Don you all cold my neme."

Mr. HOLMES stated that this letter was given to him by Mrs. RUBY HURLEY, Regional Director, National Association for the Advancement of Colored People, Atlanta, who had in turn received it from Reverend JOHN B. HILLEMAN, 311 West oth Avenue, Dawson, Georgia; that the letter had been delivered to Reverend HILLSMAN by NETTIE CATE, Dawson, Georgia, and had been given to NETTIE CATE by \_\_\_\_\_\_ Mr. HOLMES stated that while the letter is unsigned the handwriting had been identified to him as being the handwriting of \_\_\_\_\_\_ by both Reverend HILLSMAN and METTIE CATE.

> (2) A two-page hand-written letter bearing the date stamp June 27, 1958, and beginning "Dear Friend, I am writing to let you..." ending "....don't you all call my name." Signed

Mr. HOIMES stated that this letter is an interpretation of the above described letter reportedly written by He stated that he did not specifically know who wrote this interpretation but that he was under the impression it was written by a woman clerk of Reverend HILLSMAN's Baptist Church in Americus, Georgia. Although he did not know this woman's name he stated her address was 804 Lee Street, Americus, Georgia.

> (3) A 2½-page hand-written letter dated at Dawson, Georgia, June 27, 1958, beginning "To Mrs. Rubble I am sending this Letter that the girl wrote in Jail...." and ending ".... "so she could turn it on. your try J.B.H." together with an accompanying envelope postmarked Americus, Georgia, and addressed to "Mrs. Robbie Hurley, 859½ Hunter St. room 107, Atlanta, Ga."

Mr. HOIMES stated that this was a letter addressed to Mrs. RUBY HURLEY, Regional Director, NAACP, Atlanta, Georgia, by Reverend JOHN B. HILLSMAN, Dawson, Georgia, referring to the

(4) A typewritten report consisting of 3-1/3 pages bearing the date July 17, 1958, beginning, "NOTE: In a meeting at Americus, Georgia on Thursday, July 3, 1958, the following information was reported to Amos 0. Holmes by:..." and ending "...The F.B.I., according to Pullum, has investigated voter-registration complaints and had signed statements from 30 persons refused by the Board of Registrars.

Mr. HOLMES indicated that this was a report prepared by him reflecting the results of his investigation. Mr. HOLMES stated that most of the applicable contents of this report were included in his signed statement.

> (5) A one-page typewritten memorandum entitled, "Mr. Frank Hunter, 217 - 12th Street, Dawson, Ga." which begins "On Sunday, July 6 ....." and ends "...Whether Mr. Frank Hunter is willing to give this information to an F.B.I. agent or not, or testify in court willingly or not, could not the court subpoena him for testimony?" Signed, "Amos O. Holmes, Field Secretary NAACP.

Mr. HOLMES stated that on the evening of July 29, 1958, he had typed up a copy of his report concerning his efforts to interview Mr. FRANK HUNTER, and wished to furnish this supporting document also.

With reference to the signed statement furnished by AMOS Q. HOLMES he advised that the individual identified therein as HATTIE B. WILLIAMS, 209 Center Street, Dawson, Georgia, is the mother of HATTIE BELL BRAZIER, who in turn is the widow of JAMES CALVIN BRAZIER. He also stated that he does not know the full name or identity of the individual referred to therein as GENE, a Negro prisoner who is a trusty. He also stated that the information contained in his signed statement to the effect that

-8-

James Brazier was alleged to have been taken to a gin house in Dawson and beaten was based on rumor. He stated he has uncovered no specific evidence of any kind to verify that James Brazier was taken to a cotton gin in Dawson and beaten, that the only specific information possibly relating to such a situation is the information reportedly possessed by Mr. FRANK HUNTER. HOIMES stated that this rumor, however, has been repeated to him by Reverend JOHN B. HILLSMAN, Mrs. NETTIE CATE, Mrs. HATTIE B. BRAZIER, widow of JAMES CALVIN BRAZIER, Mrs. HATTIE B. WILLIAMS, mother-in-isw of JAMES CALVIN BRAZIER, Mrs. HATTIE B. WILLIAMS, mother-in-isw of JAMES CALVIN BRAZIER, and Reverend H. HOILIS HOOKS, who was formerly the minister of the AME Church at Dawson, Georgia. He stated Reverend HOOKS is presently pastor of a church somewhere in Florids, exact location unknown to HOIMES, but that his family still lives on South Jefferson Street in Dublin, Georgia.

HOIMES stated that the rumor he has heard from these individuals is to the effect that JAMES BRAZIER was taken out of the Terrell County jail, taken to a cotton gin located on 12th Street in Dawson, and there beaten "again." He also stated that he had been informed by Mrs. Mattie B. Brazier, widow of JAMES CALVIN BRAZIER, that she had gone to the Terrell County jail on the morning of Monday, April 21, 1958, to see her husband and was informed by some official, identity unknown to HOIMES, that JAMES BRAZIER had been taken to the Terrell County Hospital. HOIMES stated that Mrs. BRAZIER informed him that she thereafter went to the Terrell County Hospital that same morning and was told by someone at the hospital, identity unknown, that JAMES BRAZIER had not been brought to the hospital any time during the night. She thereafter returned to the Terrell County jail, arriving there at about "court time" on the morning of April 21, 1958, and saw her husband being carried to court unconscious, whereupon she started screaming and was put out of the courtroom.

With reference to the report of investigation prepared by HOLMES dated July 17, 1958, HOLMES advised he still has not determined the identity of the individual referred to therein as a cousin of \_\_\_\_\_\_\_ He also advised that to the best of his knowledge IRA LEE GLADDEN, mentioned in his, HOLMES', report, and also mentioned in the document described as an "interpretation" of \_\_\_\_\_\_\_ letter, has not been interviewed by NAACP representatives.

During the morning of June 19, 1958, Mr. Z. T. MATHEWS, Sheriff, Terrell County, Dawson, Georgia, was contacted and requested to make <u>prisoners EUMENE MAGWOOD</u>, WILLIE G. FULTON, WALTON BANKS, JR., and \_\_\_\_\_\_\_ available for interview.

Sheriff MATHEWS stated that MAGWOOD, FULTON, and BANKS were at that time out of the city working on a farm and would not return until noon that day. Sheriff MATHEWS stated that all prisoners would be available for interview during the afternoon of June 19, 1958.

During the afternoon of June 19, 1958, Sheriff MATHEWS was recontacted and stated that MAGWOOD, FULTON and BANKS were available at his Office located in the Terrell County Court House, Dawson, Georgia for interview.

Sheriff MATHEWS stated that Agents could interview prisoners in either his Office located in the Terrell County Court House or in his Office located in his home adjoining the County Jail. The Office, a part of the Sheriff's home is separated from the Jail yard and cell blocks by an enclosed hallway. There are two doors in the Office, one opening to the hallway, the other door opening to an outside porch. Both doors were kept opened during the interviews in order that the hallway and porch could be observed by interviewing Agents. At no time during the interviews was there anyone in the hallway or on the porch. The interviews were conducted privately with only one prisoner at the Office during the interview. The others remained at the Sheriff's Office in the County Court House until they were requested to come to the Office located in the Sheriff's home for interview. As each interview was completed, the prisoner was instructed to return to the Sheriff's

The Sheriff was again contacted in the driveway between the Terrell County Court House and the Terrell County Jail. At this time he was requested to have brought from the cell block to the Office for interview. The Sheriff went to the cell block and accompanied to his Office in his home for interview. The Sheriff left the Office and went to the cell block area across the hallway from the Office and did not return until he was informed by Agents that the interview had been completed. At that time, Sheriff MATHEWS came to the Office and returned to the cell block area.

> Randolph McDonald take James Brazier out of jail, James Brazier was blindfolded, crying and begging the officers not to take him out. The head of James Brazier was bruised and bleeding.

About 3 P. M., Officers Cherry, NcDonald, Deputy Sheriff Mansfield, Officers Chatman and Al Clark were together when they brought James Brazier back to the cell in the women's quarters. James Brazier was brought back wrapped in an army blanket and laid on the floor of the cell in an unconscious state. No doctor was gotton for James Brazier and he never regained full consciousness.

Gene, a Negro prisoner, who is a trusty, who holds the keys of the cells and does some of the dirty work, whippings and coercion for the officers, was told by Sheriff Matthews to take the truck and go get the clothing of James Brazier. (James Brazier had been stripped of his clothing and had been brought back to the cell naked, wrapped in an army blanket. He had been beaten, apparently naked.)

During the time that Gener, the trusty prisoner, had gone for the clothing stripped from James Brazier, Sheriff Matthews, who had been called by the officers down Stairs, asked the officers, "How did you come out?" "Did you do a good job? "

Later, Gene, the prisoner trusty, returned with the clothing of James Brazier and threw them in the cell where James Brazier lay and said to the officers laughingly, "He's all right." The officers had poured several buckets of water on James Brazier but had failed to arouse him up to this time. James Brazier never did become fully conscious.

Mrs. Nettie Cate reports that \_\_\_\_\_\_\_ could not give the above information when the F. B. I. came to see her because eavesdroppers had been put in the cell next to Gene, the prisoner trusty, was stationed on the front porch. The questioning took place in the office of the sheriff. The F.B.I. came that A. M. but did not get to see \_\_\_\_\_\_ until 1130 P.M. Seems that the sheriff purposely delayed the interview with \_\_\_\_\_\_ to get the blood washed away on the cell floor where James Brazier had lain.

Hillsman communicated this information to Mrs. Ruby Hurley, and the matter was referred to Amos O. Holmes for an investigation. Three visits have been made to acquire this information, two visits to Americus, Georgia on June 28 and July 3, and a visit was made to Dawson, Georgia on July 6, 1958.

During an investigation on July 6, Nrs. Hattie B. Williams, 209 Center Street, Dawson, Georgia, mother of Mrs. Hattie B. Braw zier (widow of James Brazier) supplied some information that Mrs. Hattie B. Brazier is supposed to mail to Amos O. Holmes.

The information is not to be divulged until such time that the

Dawson, Terrell County Branch of the NAACP, he related that one of the members of the Board of Registrars has pledged to see that eligible Negroes be permitted to register without difficulty. The registrar favors the registration of D. U. Pullum's son now, though Pullum's son was rejected earlier. The registrar still decries the dumbness and disqualifications of some of the teachers that had appeared before him earlier.

Mr. Pullum wants the NAACP to leave off an radical moves in the area of voter-registration, feeling that the registrar and the people of Dawson can solve the problem.

The F.B.I., according to Pullum, has investigated voter-registration complaints and had signed statements from 30 persons refused by the Board of Registrars.

Mr. Frank Hunter 217 - 12th Street Dawson, Ga.

On Sunday, July 6, Mrs. Hattie b. Williams of Dawson, mother of Mrs. Hattie B. Brazier, told me and signed statement, that Mr. Frank Hunter, night watchman of the gin house, where James Brazier is alleged to have been taken and beaten on the night of April 20, or early morning of the 21. 1958, told Mrs. Williams that he saw the beating and would testify in court that he saw it, that he would have to leave towm and probably would be killed if the information leaked out before the time of the trial and that Mrs. Williams's life would not be safe elber.

On Monday, July 23, Amos O. Holmes, Field Secretary of the NAACF, went to Dawson, Jeorgia, to talk with Mr. Frank Hunter, to arrange for him to relate information to an F.B.I. agent.

Mrs. Hattle B. Brazier went to see Mr. Hunter first to see if it were all right for me to come to him or if I should meet with him somewhere else. Mr. Hunter said that he would talk with me at his home in Dawson.

Mrs. Mattie 3. brazier, a small son of Mrs. Brazier and I went to see Nr. Hunter. Mr. Hunter, treadilingly denied any knowledge of the beating of James Brazier at the gin and wanted nothing to do with the matter but that he was not afraid to tell what he know about it.

Mr. Hunter ienied, even knowing Junes Brazier, though Mrs. Brazier said that James Brazier had worked in Mr. Hunter's place for him many times.

Mr. Nunter said that he was off work from 1:33 A. N. that day in the early morning April 21 and did not learn about the heating of James Brazier until two days later.

The Field Secretary of the NAACP got the impression that Mr. Frank Hunter was afraid to tell what he knew.

Both Mrs. Brazier and Mrs. Williams will testify that Mr. Frank Sunter did know James Brazier and that Mr. Hunter had said to them that he saw the beating of James Brazier at the gin house.

Even so, the statement that Kr. Hunter was off work at 1:30 A. M. is important, since the beating of James Brazier must have taken place between 12:00 midnight and 3 A. M.

Whether Mr. Frank Hunter is willing to give this information to an F.E. T. agent or not, or testify in court willingly or not, could not the court subpoend him for testimony?

At 6:00 p.m., 7/30/58, Mr. St. John Barrett, Acting Executive Assistant, Civil Rights Division, telephonically contacted Supervisor Leo E. Conroy concerning captioned matter.

Mr. Barrett mentioned that he had just discussed this matter, which is scheduled to be presented to a Federal Grand Jury in Georgia on 8/4/58, with the U. S. Attorney (USA). He stated that he expected that the USA would request certain additional interviews in connection with this case and he asked that if such requests were made by the USA they be given expeditious attention in view of the grand jury action scheduled for 8/4/58. Mr. Barrett was requested by Supervisor Conroy to forward a memorandum to the Bureau if the Civil Rights Division desired any further investigation in this case. Mr. Barrett said he would do so.

This is one of five cases at Dawson, Georgia, mentioned in "Washington Post and Times Herald" article 6/8/58. During arrest of Odell Brazier on 4/20/58 for reckless driving, his son, <u>James Calvin</u> <u>Brazier</u>, appeared on scene and asked officers "Don't hit my daddy." Odell Brazier claims he was hit over theleft eye and ear with a blackjack. The son was not arrested at this time but subjects later went to his home and allegedly beat him with a blackjack and brought him to jail. Odell Brazier stated following morning his son was unable to walk or talk and later when taken to hospital X-rays revealed skull fracture. An operation was performed but the son died 4/25/58. Department by memorandum 6/10/58 requested full investigation which was conducted and a report reflecting the final results of our investigation was furnished to the Department by memorandum dated 6/25/58, at which time the Department was told no further investigation would be conducted unless specifically requested. Bureau had received no additional request prior to the above-mentioned contact by Mr. Barrett. <u>ACTION</u>: REC-4  $\frac{13064}{22}$

Special Agents CHARLES T. HAYNES and MAURICE L. FOSHER Dictated: August 2, 1958

SUBJECT: RANDOLPH ENNIS MCDONALD, aka Handall; WEYMAN BURCHLE CHERRY, aka Hancock; ODELL BRAZIER; JAMES CALVIN BRAZIER - VICTIMS CIVIL RIGHTS

FOIA(b)6 FOIA(b)7 - (C)

At approximately 11:28 m.m., on August 1/ 1958, Special Agents CHARLES T. HAYNES and MAURICE L. FOSHER contacted Sheriff Z. T. MATHEWS, Sheriff of Terrell County, Georgia, at his office in the Terrell County Courthouse Building at Dayson. Georgia, requesting that he make available for interview \_\_\_\_\_\_\_ a prisoner in the Terrell County Jail. Sheriff MATHEWS stated, "Why sure, I'll be glad to make her available for interview as long as you want to talk to her, come on, let's go over to the jail, and I'll bring her into my office".

At this time the agents accompanied Sheriff MATHEWS, walking out of the Terrell County Courthouse, through the Courthouse parking lot, through the Terrell County Jail yard, and into the Sheriff's Office. At this time, Sheriff MATHEWS removed from her cell, broughthher into his office, and left her with the agents.

The interview with \_\_\_\_\_\_started at approximately 11:32 a.m. During the time of the interview, Sheriff MATHEWS came into the office three times for the purpose of obtaining the key ring to the prison cells, which ring was kept in a locked metal safe in the office.

At approximately 1:45 p.m., at which time the statement, which was being written by Special Agent CHARLES T. HAYNES, as the events were related by Sheriff MATHEWS entered the office stating, "Are you about finished, I've got to go on a call, and don't have anyone to help me in the jail. I can put her in the cell, and you can finish in there, or you can come back in about an hour and finish".

At this time the Sheriff was informed by the agents that they were practically through with the interview, and they would be glad to return in approximately one hour to complete the interview. At this time Sheriff MATHEWS stated, "Well, boys, Judge GEER says I can't keep her out of the cell, and you will have to finish the interview in the cell". The Sheriff acknowledged that other prisoners were in cells in the immediate area to \_\_\_\_\_\_ cell, and was apologetic, but stated, "The Judge is my boss, and I have nothing to say about it".

At 3:22 p.m. on August 1, 1958, Sheriff MATHEWS was contacted telephonically, and advised that the agents would not return to continue the interview with under the circumstances, in view of the fact that interviewing her in her cell would not afford privacy.

"I, \_\_\_\_\_\_\_ wish to furnish the following statement voluntarily to MAURICE L. FOSHEE and CHARLES T. HAYNES, who have identified themselves to me as Special Agents of the Federal Bureau of Investigation. I have been advised by them that I am not required to make this statement.

"I was born June 24, 1938 in Pike County, Alabama. I completed the fifth grade in school. I'have been in the Terrell County Jail at Dawson, Georgia since October 12. 1957. I was convicted in December 1957 for and sentenced to serve from five to ten years. My case is being appealed at the present

time.

"IRA LEE GLADDIN and I were in the same cell in jail for about one and one half months.

"I cannot remember the date, but one Sunday afternoon several months ago just about sundown IRA LEE GLADDIN and I were looking out the window of our cell when we saw officer CHERRY and officer McDONALD of the Dawson, Georgia Police Department bring a colored man into the jail yard and take him into the wing of the jail where the colored men are locked up. I did not know this colored man, but he was about fifty years old. IRA LEE said she knew the man but she did not call him name.

"While these officers were bringing the colored man in Sheriff Z. T. MATHEWS was in the wing of the jail where I was looking out of the window and he was talking to a white man in another cell which they call 'the run-around'. A few minutes after they came in with the colored man I saw Officer McDONALD come into the wing where I was located and talk to Sheriff MATHEWS.

"I heard Officer McDONALD say 'I arrested his Daddy and put him over there, and I arrested him too but he didnit want to come'. The Sheriff said 'Well, you go back and get him, take your blackjack and beat hell out of him if he doesn't want to come. Bring him back anyway, live or dead'. Officer CHERRY was not there while the Sheriff and McDONALD were talking. I saw Officer McDONALD go on out the jail yard gate alone after that.

"Just before dark on the same Sunday, IRA LEE and I were looking out the cell window when Officer CHERRY and Officer McDONALD brought a colored man into the jail yard that looked about thirtynine years old. IRA LEE said that's JANKS 'BUBBER' BRAZIER. JANES had handcuffs on when he came in the gate and Officer CHERRY was holding on to his arm so he could not run. I did not see any blood on JAMES at this time. I saw them put JAMES in the wing where they kept the colored man,

"A few minutes later Officer CHERRY came over to the wing of the jail where we were and told KUGENE MAGWOOD, a prisoner trustee who stays in a cellin the wing where IRA LEE and I stay, to 'go over and get him and put him in one of these cells'. We call KUGENE MAGWOOD 'GENE'. A few minutes later 'GENE' came back to the wing we were in, with 'BURBER' walking behind him. 'GENE' had the keys and he put 'BUBBER' in the cell next to the cell IRA LEE and I were in.

"A few minutes later Officer CHERRY came to the door and told 'GENE' to bring 'BUBBER' back 'out here'. After that Officer McDONALD came to the door of the wing and told 'BUBBER' to come on out so 'BUBBER' came out of the cell with 'GENE' and they went in the direction of the office of Sheriff MATHEWS, but I could not see in the office and did not see or hear the Sheriff.

"About one and one half hours later Officer CHERRY, Officer McDONALD and "GENE" came back into

6

"the wing carrying 'BUBBER! in a blanket. They put him on' the floor and then they called the Sheriff. When the Sheriff came he told them to put 'BUBBER! on the bed so they did, and then left. At the time they brought 'BUBBER! back he had the blanket around him so I couldn't see his face or any part of his body. After they left 'BUBBER! in the cell IRA LEE called to him but he did not answer her.

"About twenty minutes later Officer McDONALD came back and said 'JAMNS' several times, but I did not hear JAMES answer. About that time, 'GENE' came into 'BUBBER's' cell and said 'Oh, he's all right'. At that time they both left the cell. About twenty minutes later Officer McDONALD came back again and said 'JAMES' several times but I didn't hear "BUBBER' answer. Officer McDONALD left the cell, but he came back again in about twenty minutes and said 'JAMES' several times but I did not hear 'BUBBER' answer him.

"After this, Officer NcDONALD left and I did not see or hear anyone else come into 'BUBBER's' cell the rest of the night. 'BUBBER' was in a cell by himself while he was in the wing where IRA LEX and I were located. I went to sleep about two o'clock in the morning which was a Monday.

"At about nine o'clock on Monday morning Chief LEE of the Dawson, Georgia Police Department came to 'BUBBER's' cell with 'GENE' and 'GENE' said 'come on JAMES they are fixing to carry you up to council this morning and have your trial'. 'BUBBER' didn't get up so 'GENE' pulled him out of bed, while Chief LEE hit him on the back seven or eight times with the leather strap on the end of his blackjack. When they left the cell 'BUBBER' was walking and 'GENE' and Chief LEE were leading him along by his arms. I did not hear 'BUBBER' say anything. I could see some blood around his waist on his undershirt when 'BUBBER' left the cell. I also saw some blood on the mattress cover on 'BUBBER's' bed after he left the cell. 'BUBBER' had a small bandage on his forehead.

In addition to the above statement, stated that Chief LEE of the Dawson, Georgia Folice Department, and EUGENE MAGWOOD, a Trustee at the Terrell County Jail, assisted JANKS BRAZIER when he walked from the Terrell County Jail through the jail yard to a police car. 39

\_\_\_\_\_\_\_ pointed out that EUGENE MAGWOOD, escorted JANES BRAZIER to a cell next to the cell she and IRA LEE GLADDIN occupied in the women's wing of the jail. soon after JAMES BRAZIER was placed in the jail. stated further that at this time IRA LEE GLADDIN spoke to JAMES BRAZIER, and BRAZIER said the police arrested his father, who was at that time locked in a cell in the wing of the jail occupied by colored male prisoners. \_\_\_\_\_\_also advised that JAMES BRAZIER continued stating that after the officers arrested his father, they came to his home, arresting him, as well as beating him, and placed him in jail. "About ten or fifteen minutes after 'BUBBER' went by my house I heard some children screaming down the street. I looked and saw that in front of 'BUBBER's' house there was a Dawson, Georgia Police car. I recognized 'BUBBER' in his yard and saw Officer CHEREY and Mr. RANDOLPH, another officerooff the Dawson, Georgia Police Department, walking towards the police car with 'BUBBER' in the middle. One of the officers was on such side of 'BUBBER' holding his arms. Officer CHEREY was holding 'BUBBER's' left arm and hitting 'BUBBER' over the head with something he had in his right hand. I could not tell what Officer CHEREY had in his hand. I did not gee Mr. RANDOLPH hitting him. I did not see 'BUBBER'

"holding back or trying to get away from the officers and did not see him trying to hit the officers. The officers shoved 'BUBBER' in the back seat of the car and drove off with him.

"I went to work in the kitchen at the Terrell County Jail the next morning April 21, 1958 at twenty minutes before eight. At about nine o'clock that morning I saw 'BUBBER' in the hall in front of the kitchen door waiting to go out the door from the hall into the jail yard. Mr. CHAPMAN, an officer of the Dawson, Georgia Police Department was holding 'BUBBER' by one arm while they were standing in front of the door waiting for some other prisoners to go to court. When the other three prisoners arrived at the door where 'BUBBER' was standing two of the prisoners, one on each side, held his arm and walked out the door through the jail yard to the car. 'BUBBER'M' father was one of the prisoners but he did not hold one of his arms going out to the car. I do not know the name of the two men who held 'BUBBER'S' arms going out to the car.

"'BUBBER' had on pants and an undershirt when I saw him but they were so dirty I could not say whether he had any blood on his clothes.

"He had a bandaid on his forehead but I did not see any blood. He did not have on his shoes when I saw him.

"When the prisoners arrived at the police car outside the gate to the jail yard 'BUBBER' could not lift his fast to get into the car. At this time Mr. CHAPMAN said 'I ought to kick you in'. 'BUBBER's' father said 'Don't do that - I'll help him in'. His father helped 'BUBBER' into the police car and they all left in the same.

"At no time on April 20, 1958 or April 21, 1958 did I hear 'BUBBER' say anything at all to any police officers.

"I have read the above Statement oft this page and fore other pages and initinaled the changes I wanted made. The Statement is all true.

SAC Johnson, Atlanta, telephonically advised he had received information from United States Attorney (USA) Davis, Middle District of Georgia, relative to a subpoena duces tecum that was served Sunday, 8/3/58, on Justice of the Peace English requesting that English bring before the Federal grand jury certain pages of his docket. English in conversation with USA Davis advised he was in ill health; was obtaining a doctor's certificate to this effect and did not intend to produce his docket. Davis in conversation with English pointed out the only reason for the subpoena was the fact that he, English, had refused to make available to Agents the three pages of the docket pertinent to this case. English then advised that he would permit the docket to be made available to Agents and they could obtain the information desired.

Johnson advised that USA Davis has discussed this matter with St. John Barrett of the Department and that he, Davis, and Barrett were in agreement that Agents should go ahead and obtain photographs of the three pages in question.

Johnson explained that the docket is so large and so bulky that it would be extremely difficult to remove the pages for photostating and that the USA was agreeable to photographs being obtained.

# MACON JURY WON'T INDICT **3 POLICEMEN**

# **Rights Case Based** On Deaths of Dawson Nearoes

Special to The Ailanta Journal MACON, Ga., Aug. 9-A federal grand jury here has refused to indict three Dawson policemen accused of fatally beating one Negro and shooting and killing another.

The grand jury returned "no bills" on five separate proposed indictments, a spokesman of the district attorney's office said.

A spokesman for the Justice Department said in Washington that the proposed indiciments were based on the Civil Rights Statute. The officers named in the proposed indictments are Randolph

Ennis McDonald, Wyman Burchle Cherry and Edwin Harold Jones, all of the Dawson police force. . .

THE ATLANTA JOURNAL Atlanta, Georgia 8/9/58 Editor: JACK SPALDING

DAWSON is a southwest Georgia town of about 5,000 and is the Terrell County seat.

The grand jury's action Friday followed several months of state-ments an di routherinterents about race relations in Dawson, including a story in the Washing-ton (D.C.) Post and Times-Herald which said Negroes in Dawson were living in terror of police,

The deaths on which two of the proposed indictments were based and the pistol wounding of another Negro occurred in April and May.

Another proposed indictment charged two of the officers with beating and illegally detaining another man, and the fifth proposed indictment alleges two of them

Brazier with his blacklack to subdue him.

Officer Cherry shot and killed Countryman on May 25, after Officers Cherry and Robert Han-cock went to investigate a dis-

CHIEF LEE and Dawson Mayor V. L. Singletary described Officer Cherry, a 31-year-old combat veteran of World War II, as a good officer.

FBI agents went to Dawson to investigate the situation there, and Roy Wilkins, executive sec-retary of the National Assn. for the Advancement of Colored People, urged the Civil Rights Commission and the attorney general to intervene.

Only July 10, the Justice Department said it had been unable to confirm that new violence. warranting federal investigation had taken place at Dawson.

instances, where: 1. One Negro was shot to death.

2. Another Negro was beaten fatally.

3. A third Negro was shot and wounded.

4. Two other Negroes were allegedly beaten.

A SPOKESMAN for the Justice Department in Washington said the proposed indictments were based on the civil rights statute.

The three Dawson policences named in the documents are Wey-man Burchle Cherry, Rendolph Ennis McDonald and Edwin Harold Jones.

The grand jury's refusal to indict them followed several months of statements and counterstatements about race relations in Dawson, fanned by stories in a Washington (D.C.) paper that Dawson Negroes were living in fear of the police.

The federal jury took up the proposed indictments at Macoa as a "matter of convenience" in federal court procedure, said a spokesman for the district at-torney's office. He said the jury usually meets twice a year in one division of the Middle District of Georgia and there considers federal matters covering the entire district.

THE MIDDLE District's seven divisions are Macon, Athens, Columbus, Americus, Albany, Thom-saville and Valdosta, Federal court usually sits twice a year at each division.

The proposed indictments, now that the federal jury has returned 'no bills" on them, become public records, the spokesman said. The documents are being filed in the office of the clerk of U.S. District Court at Americus, he said.

The names of Flagg and Renfroe had not been mentioned previously in reports of alleged violence in Dawson. The names of Brazier, Countryman and Latimer were prominent in those reports. Since last spring Dawson has been the center of an on-again. off-again turmoil about alleged instances of violence and mistreatment against Negroes.

THE FLURRY of statements and counterstatement produced among other things:

1. Stories in the Washington (D.C.) Post and Times-Herald alleging that Negroes in Dawson lived in fear of police. The stories were by a staff writer of the Washington paper, Robert E. Lee Baker, and were written under a Dawson dateline.

2. Indignant denial of the statements by Dawson's mayor and police chief and their defense of Oficer Cherry.

3. An investigation at Dawson by FBI agents.

4. A plea by Roy Wilkins, executive secretary of the National Assn. for the Advancement of Colored People, for intervention by the Civil Rights Commission and the attorney general.

5. A decision by the Civil Rights Commission not to investigate al-leged mistreatment. Staff Director Gordon Tiffany did not spell out the reasons but there were implications that the matter had not been properly brought to the attention of the commission.

FEDERAL appleament, a

Department, did not make it clear tion. in what manner action was initiated on the proposed indictments. Chief Lee declared earlier in Answer to the Washington Post stories, that "97 per cent of our Negroes are satisfied." He and Mayor V. L. # JURY BARS ACTION. IN NEGRO DEATHS

U.S.Fails to Get Indictments Against Georgia Policemen for Civil Rights Violations

- 72 Special to The New York Times. WASHINGTON, Aug. 9—A Federal grand jury in Georgia has refused to vote indictments.

against three local policemen on charges of killing two Negroes, shooting another and beating. two more. The Justice Department had recommended the indictments after an inquiry by the Federal Bureau of Investigation and three days of sworn testimony before the grand jury. News of the outcome was released by the

the outcome was released by the department here. The case as seen by Justice Department officials is a graphic example of the diffi-culties in the way of Federal prosecutions for civil rights violations in the South. It may throw some light on the failure of the Justice De-partment to prosecute anyone after mob violence over school, integration in Little Rock. Ark.

integration in Little Rock, Ark.,

last year. last year. The grand jury presentation, stemmed from events last spring in Dawson, a town of 4,500 persons in southwestern Georgia. Negroes make up a little more than half the population.

Three Dawson policèmen Three Dawson policenten were named as defendants in the proposed Didletments—Ran-dolph Ennis McDonald, Wey-man Burchle Cherry and Edwin Harold Jones.)-

Fatal Beating Charged

Fatal Beating Charged ! Five proposed indictments were presented to the grand jury. Each described, a specific incident and accused one or more of the policemen of "wil-fully" administering summary punishment to a Negro with-intent to deprive him "of his Federally protected rights, privileges and immunities as a citizen." citizen.'

citizen." The first proposed indictment charged that officers McDon-ald and Cherry had beaten James Calvin Brazier with a blackjack last April 20, causing his injury and death. According to stories from Dawson, Mr. Brazier, who was al years old, interrupted the police as they were arresting his father for drunkenness. After the father was jailed, the police allegedly came back to police allegedly came back to James Brazier's home, arrested him and beat him.

77 AUG 221958

The next morning, according to the local accounts, Mr. Bra-zier was carried into court, un-able to speak. He was then taken to a hospital for a brain operation but died of a skull fracture. The police said he had been hit on the head with a blackjack while resisting 'ar-

had been int out while resisting ar-rest. The second proposed indict-ment accused officer Cherry of shooting and killing <u>Willie</u> <u>Countryman</u>, 32 years old, on <u>May 25. He</u> was shot in the stomach in his own back yard. The police said he had been drunk and had jumped them with a switchblade knife. The third proposed indict-ment again named officer Cherry, charging him with shooting and wounding <u>Willie B.</u> <u>Latimer</u>, last May 23. The po-lice said he had been picked up drunk and disorderly in a tav-ern and had been shot resisting arrest. arrest.

The fourth proposed indict-ment charged that officers Cherry and Jones "did strike, beat, whip and injure" <u>Willie</u> Gerald Flagg, 21, with a black-Jack.

According to one story from Dawson, young Flagg was play-ing baseball on May 25 when a police car went by. The po-lice said he made believe he "bad a shotgun and shouted "bang" at the police. He was arrested for disorderly conduct.

When his mother went down

When his mother went down to the jail to see him, she was locked up too. The police said she had been "carrying on." The last of the proposed in-dictments charged officers Jones and McDonald with beats ing, Whipping and injuring Eu-gene Rehitroe.

Reconstruction Law Cited The Justice Department had sought the indictments on the

basis of the two criminal stat-utes on civil rights remaining on the books from the Reconstruction period.

struction period. The law prohibits any offi-cial, "under color of law," from depriving persons of their rights under the Federal Constitution or laws or from imposing "dif-ferent punishments, pains or penalties on account of such inhabitant being an allen, or by reason of his color." The maximum penalty for a

reason or nis color." The maximum penalty for a violation is a \$1,000 fine, im-prisonment for a year or both. Under the Constitution the states, not the Federal Govern-

ment, have authority to punish for such crimes as murder. Thus the Federal Government can reach such acts as those charged to the Dawson police only as welations of civil rights in general.

The case was presented to a Federal grand jury in MECO., Ga., by Frank O. Evans, United States Attorney for the middle district of Georgia, and his as-sistant; Joseph H. Davis, More, than twenty witnesses were heard over three days, including several Negroes but not the po-licemen licemen.

Justice Department officials differed as to the effects of the unsuccessful attempt at prosecution.

Some thought there would be several unfortunate results-to, increase resentment of Federal interference, discourage Negroes in asserting their rights and en-courage white persons to think they need not fear Federal punishment.

It was some of these concerns that played a part in the Justice Department's decision not to prosecute any of those who took

ment today was that an investgation of occurences like those charged in Dawson could have good effects even if no prosecution resulted.

The result is regrettable and disappointing," one official said, "but having done it is not a

waste of time. "The twenty three grand jurors, even though they would not indict, know what hap-pened. I cannot believe that approves of police NOT RECORDED anyone
